

LOANED EQUIPMENT CONTRACT

Fragile Kids Foundation agrees to loan equipment for your child's use for a period of **12 months from the date of delivery**. We hope this equipment will provide many hours of therapy and enjoyment for your child.

Parents/Guardians understand and agree that Fragile Kids is making this equipment available at no cost. It is the Parents' duty to inspect the equipment at the time of receipt. Fragile Kids makes no representations as to the suitability of the equipment. On behalf of themselves and on behalf of anyone using the equipment, Parents release and hold harmless Fragile Kids and all its employees and agents from any claims or losses directly or indirectly related to the equipment.

Parents will be contacted prior to the expiration of **12 months from the date of delivery** to determine whether the equipment still meets the initial goals stated. If so, the Parents will be responsible for submitting another Letter of Medical Necessity for the next year's use. If not, the Parents will return the equipment to Fragile Kids in good, clean condition. **Fragile Kids reserves the right to charge a nominal fee of \$50 to recondition any equipment turned back in poor condition.**

Equipment that is not returned within 90 days of the expiration of the Loaned Equipment Contract will be assessed a depreciated cash value, and Parents/Guardians will be responsible for that amount.
